II. CHEMICAL DEPENDENCY COUNSELING WORK EXPERIENCE

Supervisor references are required as part of this application. The supervisor reference form must provide at least three years (6,000 hours) of knowledge of the applicant's chemical dependency counseling work experience. An associate's degree in a behavioral science may be substituted for 6 months of work experience, a bachelor's degree in a behavioral science may be substituted for one year of work experience, a master's degree or higher in a behavioral science may be substituted for two years of work experience. One year of full time work experience equals 2,000 hours.

Additionally, a verification of tasks form must be completed documenting a minimum of 330 practical experience hours in the 12 core functions. If there was more than one supervisor during these times, forms should be duplicated so that each may have an appropriate form to complete. Completed reference forms and verification of tasks forms must be returned with this application.

Please record your chemical dependency counseling work experience below. To meet the Chemical Dependency Professionals Board work experience requirements, a minimum 20 percent of employment must have been spent in the counseling portion of the 12 core functions as it relates to the alcohol and/or other drug-addicted client. Final determination of the acceptability of work experience shall be at the discretion of the Board. Duplicate this page as needed to account for the required minimum amount of work experience. Your supervisor-signed job description(s) covering this time must be included with this application. Please list most recent experience first.
