

Treatment Committee Meeting

September 15, 2017

Members Present

Robb Yurisko, Wendy Haynes-Britton, Max Cortes,
Alisia Clark, Andrew Moss

Opening Activities

Welcome new Executive Director, Alisia Clark

Introductions of Committee Members

Review and approval of minutes

The committee approved the minutes for the June 16, 2017 meeting

Announcements

The new applications are taking 40 working days to file. A suggestion was made to send out a notification to the field letting them know the processing time. Robb discussed the opportunity to partner with NAADAC to

Director Updates

- Alisia provided a staffing update.
- Alisia provided an update on the document management system transition timeline.
- Alisia discussed the Examination Remediation rule change.
- Alisia provided an update on HB230 and HB290

Volunteer Rule

The committee reviewed the volunteer service rule change and determined that a couple of items needed further clarification. Alisia will work with Melissa Wilburn to review the rule and make the appropriate changes. The rule will be presented during the next board meeting.

Clinical Supervision Discussion

Alisia informed the committee the Clinical Supervision rule is in the process of being filed. Wendy and Andrew will work on 2 additional samples of a supervision contract.

CDCA Education Survey

Robb will work with Dian to go through the survey.

Ethics Presentation

Wendy recalled an ethics training that she and Amanda completed. She was going to attempt to locate the training to post on the webpage. The committee discussed an Ethics review board and the possibility of implementing a chart indicating the penalty for violations. Alisia will bring an example to the next meeting.

Background Checks

The committee discussed background checks for applicants. The committee discussed the possibility of requiring adding a provision that required individuals on probation or with criminal justice history to wait a period of one year prior to applying for a license.

Work Plan

The committee will review the work plan and return to the next meeting with an updated plan.

Closing Activities

Next meeting scheduled for December 15, 2017.

The meeting was adjourned
