

# ADDICTION STUDIES

i n s t i t u t e

**August 14 - 17, 2007**

**Greater Columbus Convention Center  
Columbus, OH**

Building on the success of last year's groundbreaking, combined Institute by The Ohio State University and the Ohio Department of Alcohol and Drug Addiction Services, the 2007 Addiction Studies Institute will emphasize a broad continuum of care utilizing evidence-based and promising practices as presented by Ohio and national experts. The 2006 premier event brought over 900 professionals together for education and workforce development in alcohol and other drug prevention, treatment and recovery support services. The 2007 Institute will offer dynamic educational choices for the chemical dependency counselor, social worker, prevention specialist, criminal justice professional, physician, nurse and other healthcare specialist.
