Announcements

Michael B. announced the University of Cincinnati School of Medicine is hosting an Opioid Summit. John Ellis, Great Lakes ATTC will speak on supervision training for current supervisors. The conference will be held on March 2, 2019.

Alex B. announced that Greg H. is now the new chair of the Education Committee.

Directors Report

A.Clark presented the Executive Director's Update. Alisia informed the committee that the staff has reduced the wait time for the applicants by nearly two weeks. A. Clark stated the Board office has received 1,959 applications so far this year.

A.Clark announced the eLicense application is now equipped with a credentialing wizard that can assist applicants with determining which credential best meets their education and experience. She also announced the launch of the new Board website.

Board Sponsored Training

Greg H. suggested that the Committee develop a sub committee to review the need to develop competencies for an Ethics Training. He suggested that we identify the top five ethics violations and discuss them with the vendors that conduct ethics trainings.

Rules Update

Alisia C. discussed the Criminal Background Check rule that was developed.

Webinar Guidelines

The committee discussed the webinar guidelines. The guidelines will be sent out a final time to the committee to approve.

Dianne F. discussed the challenges that her students at Columbus State University face when meeting the licensure criteria.

IC&RC Domain Alignment

Alisia C. reviewed the law and rules and the IC&RC domains appear in the rules. The Committee discussed rewriting the rules.

Bachelors Level Curriculum Review

Committee discussed reviewing Bachelor curriculums to make sure they align with the Boards education requirements. The Committee decided that Practicums should be a requirement of the Review. The Committee was satisfied with a few minor corrections the Curriculum Review will be ready to disseminate. Alisia C. will update the information on the website.

Work Plan

The committee updated the work plan with new target dates.

Need to continue discussion:
